---

## 3. THE SERVICE

Mocksy is an AI-powered UI design platform that allows users to generate, refine, and export UI mockups through text prompts, sketch input, and reference images. The platform is provided as a software-as-a-service product accessible via web browser. We reserve the right to modify, suspend, or discontinue any part of the service at any time with reasonable notice where practicable.

---

## 4. ACCOUNTS AND ACCESS

You must create an account to use Mocksy. You are responsible for maintaining the confidentiality of your login credentials and for all activity that occurs under your account. You must provide accurate information at registration and keep it current. You must be at least 18 years old to create an account. We reserve the right to suspend or terminate accounts that violate these Terms.

---

## **5. CREDITS AND SUBSCRIPTIONS**

Mocksy operates on a credit-based model. Free tier users receive 10 credits per month. Pro subscribers receive 800 credits per month at \$20 per month. Credits are consumed when you use AI-powered features including Chat-to-Design, Sketch to Design, Workflow Generation, and Design Chat. Style Guide generation and all code exports consume zero credits on any plan. Credits do not roll over between billing periods. Subscriptions are billed monthly and renew automatically unless cancelled. You may cancel at any time and retain access until the end of the current billing period.

---

## **6. REFUND POLICY**

Subscription fees are non-refundable except where required by applicable law. If you believe you have been charged in error, contact us at [yusuffsalihu@odysseytechltd.com](mailto:yusuffsalihu@odysseytechltd.com) within 7 days of the charge and we will review your case. Unused credits cannot be exchanged for cash or refunded under any circumstances.

---

## **7. ACCEPTABLE USE**

You agree not to use Mocksy to generate content that is unlawful, harmful, defamatory, obscene, or infringing on the rights of any third party. You agree not to attempt to reverse engineer, decompile, or extract the underlying AI models or source code. You agree not to use automated tools to access the platform in ways that exceed normal usage or damage the service. We reserve the right to remove content and suspend accounts that violate this section without prior notice.

---

## **8. YOUR CONTENT**

You retain ownership of any designs, sketches, prompts, and reference images you upload or create on Mocksy. By using the platform, you grant Odyssey Technologies Limited a limited, non-exclusive licence to process your content for the sole purpose of delivering the service to you. We do not claim ownership of your designs and will not use them to train AI models without your explicit consent.

---

## **9. AI-GENERATED OUTPUT**

Mocksy uses the Claude API provided by Anthropic to generate UI designs. The output of AI generation may not always be accurate, complete, or fit for a specific purpose. You are responsible for reviewing all AI-generated output before use. We make no warranty regarding the uniqueness or originality of AI-generated designs.

---

## **10. INTELLECTUAL PROPERTY**

All rights in the Mocksy platform, including its interface, branding, and underlying technology, are owned by Odyssey Technologies Limited. Nothing in these Terms transfers any intellectual property rights to you beyond the limited licence to use the service.

Mocksy integrates with third-party services including Anthropic (Claude API), Polar (payments), Convex (backend), and Vercel (hosting). Your use of these services is subject to their respective terms and privacy policies. We are not responsible for the practices of third-party providers.

---

## **12. DISCLAIMER OF WARRANTIES**

Mocksy is provided "as is" and "as available" without warranties of any kind, express or implied. We do not warrant that the service will be uninterrupted, error-free, or free of harmful components. Your use of the service is at your own risk.

---

## **13. LIMITATION OF LIABILITY**

To the maximum extent permitted by applicable law, Odyssey Technologies Limited shall not be liable for any indirect, incidental, special, or consequential damages arising from your use of Mocksy, including loss of data, loss of revenue, or loss of business opportunity, even if we have been advised of the possibility of such damages.
